Dear Vickie and Jim -

We appreciated your

card from Rome. I know you have seen quite a bit of the world in the last few months. It's realy nice you can travel. We are having a sunny weather through the day but gets cold at night, the sun is out this morning and looks like we will have a nice day but wish it would rain as it's offly dry. Grandad has begun to dig around in the garden. But he always gets in a hurry. Rodgers was home over last weekend. Cliff called a week ago wed. his promotion had ~~not~~ come sooner than he had thought it would, they will go to Washington D.C. Cliff will go about the 1st of May and Jackie and the Boys won't go till school is out, Casey got home sick and

quit school here and went to St Louis  
to school, they have a lovely home  
there in St Louis but Clifford Lee  
was sure they could sell it. Mike will  
still be in Kansas City. I hear from  
your folks quite often. we talk about  
making the trip out there this year  
but don't plan to far ahead. I think  
every time we take a trip it is the last  
one, we are getting pretty old to travel  
so much. Clifford said he always  
wanted to go to Washington D.C. so  
will probably go this fall. Will we  
will just have to wait and see. we  
have talked about going to Oregon this  
spring but nothing definite. I know  
you ~~had~~ had a nice trip. I have  
trouble writing as I have Arthritis in  
my hands and hope you can read  
this.

lots of love  
Grandma Gould
